DRIVEN BY TECHNOLOGY, DEFINED BY EXCELLENCE

Smartworld Developers has been smartly reshaping the real estate landscape with its vision of creating world-class realty assets in India. The company's commitment to innovation, exceptional design, and on-time delivery has set new benchmarks in real estate development, shaping the future of the industry in India. Based on the tenets of professionalism, customer-centricity, corporate governance at all levels, and digital first, the company is recognized for its strong commitment to these principles in every aspect of its operations.

Smartworld Developers disrupted the real estate market in Delhi NCR with its inaugural projects - Smartworld Orchard and Smartworld Gems - both located in premium locations in Gurugram, and the company has already begun handing over possessions to happy homeowners - aiming for a total delivery of 5.5 million sq.ft. across both projects.

Over the past four years, Smartworld Developers has created new benchmarks in Gurugram's luxury real estate market, with developments such as Smartworld Sky Arc in Sector 69, Smartworld The Edition in Sector 66, and Smartworld One DXP, located on the Dwarka Expressway in Sector 113. These projects, all situated in prime locations, are setting new benchmarks for high-end living. With their striking designs and superior amenities, they are reshaping the Gurugram skyline and redefining the luxury and ultra-luxury segments in the city.

Backed by reputed organisations and financial robust founders, the company has assets worth Rs 40,000 crore under management and a development potential of 5.5 crore square feet over the next five years.

POWER HAS A NEW SILHOUETTE

Soaring above the skyline of Gurugram, the new Trump Tower is more than a striking silhouette – it is a bold architectural statement. Precision-sculpted in glass and steel, its facade reflects the poise of a global brand and the power of a landmark address. Every angle exudes confidence. Every line, intent. Inspired by the iconic energy of Manhattan high-rises, it brings global design pedigree to India's most dynamic city. This is architecture with presence. Distinctive, yet timeless. Assertive, yet elegant. Because when the name on the door is Trump, nothing less than the best will do.
